### IF WE ONLY KNEW

Author Unknown

If we only knew that the smiles we see  
Often hide the tears that would fain be free,  
Would we not more tender and loving be

If we only knew?

If we only knew that the words we say  
Oft may drive the peace from some heart away,  
Would we speak those words in the selfsame way,

If we only knew?

If we only knew that some weary heart  
Has been burdened more by our thoughtless art,  
Would we cause the tears from those eyes to start,

If we only knew?

If we only knew, as we onward go,  
Many things that here we can never know,  
For more patient love we would often show

If we only knew
